

HENLEY SCHOOL

RELIGIOUS INSTRUCTION POLICY

Rationale

The Henley Board of Trustees allows non-denomination religious instruction for children at Henley School.

Guidelines

1. If an instructor is available the Board will allow Religious Instruction to take place at school.
2. Religious Instruction will be outside of school class time.
3. Parents will be informed of Religious Instruction classes.
4. Only children who have parent's permission will attend classes (children may not attend unless they have written authority).
5. Each year the Religious Instruction co-ordinator must submit a list of Instructors and the Syllabus to the Principal, to be tabled at the March meeting of the Board.
6. Religious Instruction will not be run by the school. The school allows its facilities to be used by the Religious Instruction instructor.
