Kia ora koutou te whanau

Dear parents and caregivers

Welcome to the following students who have recently started at Henley School; Joseph Hedworth (Rm 15), Siena McMillan (Rm 4), Hayley Hedworth (Rm 12), Lily Clark (Rm 4), Hayden Keppel (Rm 4), Jordan Baird (Rm 5), Connor Baird (Rm 6), James Aynsley (Rm 5) and Isla Anderson (Rm 19).

Other than Year 6 students who are finishing at the end of this year we would appreciate hearing from the parents of any other children who may be leaving or transferring schools for 2012 as this enables us to plan more accurately. Please contact the Office as soon as possible if this is the case.

The next four weeks on our school calendar have a large number of events scheduled in – it is an exciting time for the students and we thank you in advance for your continued support during this busy month. Please keep a close eye on the newsletter and calendar of events so that you don't miss any of these.

Congratulations to staff member Penni Tillson who was married to Brendan Burke last weekend in a lovely service at St Thomas's Church in Motueka – we wish you both all the best for the future. Penni will now be known as Mrs Burke.

Welcome to Janet Ashcroft from the Education Review Office who is currently on a professional development placement at Henley School.

Well done to our Gymnastics Team who performed with distinction at the recent competition in Nelson. Thanks also to the many teachers and parents who helped with coaching the gymnasts and provided transport to the event.

Jessica Hannah – Rm 9  
(2<sup>nd</sup> in Level 3 grade)  
Kayla Heybourn – Rm 12

The Henley Blue Football Team won the Hira School Soccer Tournament (competitive grade).

– Scott Morris – Jake Mirfin –  
Henry Anderson – Lucas Hogg  
– Simon Wilson - Zane  
Sowman and Finn Thomas

Last week a large number of students took part in the soccer competition at Saxton Field. A fantastic result was achieved by the Henley Blue team in winning the overall title and bringing home the trophy for Henley School. A special mention also to Henley Grey who came 2<sup>nd</sup> in the Silver Cup. Well done to all who took part and special thanks to the parents and teachers who supported the event and Steve Hogg and Mike Johnston for coaching.

Finally, our Waimea Campus has suffered from vandalism in recent weeks – particularly over Guy Fawkes weekend. If you do notice any suspicious behaviour around our school please contact the Police immediately as we are keen to see an end to this senseless damage.

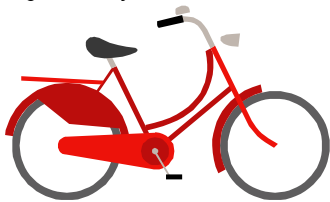

Kind regards

### Bicycles

It is noticeable that many of the bikes being left in our bike stands each day are not locked. On investigation it was found that even children who do have locks often don't know the combination so they are not in use! There are many new and beautiful bikes in the stands and we are concerned about this with Christmas coming up. We would like to offer a service whereby the children can leave their combination at the Deputy Principal's office so that if they forget it they can call in and ask for it.

The bikes in the stands were checked on Wednesday 15 November and of the 20 bikes, there only 9 were locked.
