REACH HIGH - STRIVE FOR KNOWLEDGE - LIVE WITH ALL YOUR HEART
KI RUNGA RAWA - WHĀIA TE ITI KAHURANGI - KIA WHĀI TE TAUMATA

24 August 2023
No: 3 Term 3

Tēnā koutou katoa

Welcome to the following students who have started at Henley in the last two weeks: Alva S (Fantail Rm), Ashton T (Fantail Rm), Livvy N (Rm 20), Remmy N (Rm 13), Iris Z (Fantail Rm) Riley B (Fantail Rm) and Ariki T (Fantail Rm).

Recently, we have been excited to invite many families into classrooms to share about their culture and country of heritage, as part of our school wide Social Science Unit-Journeys. I am enjoying connecting with students who have brought in treasures from their family's culture, photos, samples of food, language and stories. Students are learning about the multi-cultural composition of their classes. It is an opportunity for students to lead learning and help us all build connections and gain new knowledge and understandings. The Journeys unit study will continue over the next few weeks and we welcome families to become involved within their child's classroom.

Our sincere thanks to all of the parents who planned, organised, attended and worked hard at the syndicate discos on Friday 11 August. A great night was had by all, and I thoroughly enjoyed seeing everyone dressed up and having fun.

You may have noticed the flags we had made with the Henley School High Five Values printed on them. Weather permitting, the flags will be out at the top steps each day, on display as a visual reminder to everyone, helping us to remember to implement these values in our interactions and learning. (See the PB4L next page for video and photos).

Our William Street carpark is a very busy place and we need your assistance to ensure it remains safe and the traffic flows through appropriately to keep our tamariki and whānau safe. When you drive into the car park to drop your children off, please drive as far around in the car park as you can, stopping to drop children safely as close to the walking paths as you can. Where possible, refrain from getting out of your vehicle, unless you have parked in a designated car park. Many cars are queuing on the road, to make a right turn into the car park, often making it impossible for the traffic to keep moving along William Street and blocking the pedestrian crossing. If you are unable to get into the car park, please drive on, park on the side of the street and walk back. When parking in the William Street carpark, please use the parking spaces only, not the mobility space unless you have a permit to do so nor on the actual driveway preventing traffic entering and exiting. At all times, we ask you to treat each other with our Henley High Five Value, one of respect.

Earlier this year schools across New Zealand were advised of the new rules and guidelines on minimising the use of physical restraint in schools. There is a strong focus on prevention, and they were created in response to educators, parents and disability groups seeking clarity on the use of physical restraint in schools and what is acceptable physical contact. All schools were required to have a physical restraint policy in place by the 7 May 2023. If you wish to read the Henley School policy, please contact the Henley School office. Teachers and authorised staff are required to complete a mandatory online training module by 7 February 2024. Many of our staff have already completed this and it is our plan that all will by the end of Term 3 2023. The Ministry of Education have asked schools to make their community aware of the changes mentioned above.

Ngā mihi nui
Natalie Doty
Acting Principal

He aroha whakatō, he aroha puta mai –If kindness is sown, kindness you shall receive.

Winter Bugs

The cold and flu season is still here.

If your child has flu symptoms, we ask that you use your discretion and keep your child home so as not to spread the bugs to other students.

Thank you for your cooperation and understanding.

Sapphire and Tawa's Pizza Writing – Rm 17

We had to push the dough into a circle shape and put on the BBQ sauce. Then we had to grate the cheese and put it on the pizza with ham and pineapple and put the pizza in the oven. We put them in a pizza box when they were cooked and delivered them to our class for lunch.

Yr 5 & 6 Netball teams at a tournament last week.

Fathers Day Art

Henley Disco
