Mālō e lelei

This week in New Zealand we are celebrating Tongan Language week. I have enjoyed talking to our Tongan Students and I am excited that one of our students is wearing her traditional long Tupenu (Sarong) and kofu.

Welcome to the following students who have started at Henley in the last two weeks: Gus S (Fantail Rm), Chloe D (Fantail Rm), Jackson D (Fantail Rm) and Ani S (Fantail Rm).

Fathers' Day was on Sunday 3rd September and we hope all dads had a relaxing day, spending time doing whatever they enjoyed. Thank you to Ms Donna Stanaway for coordinating portraits of our dads from Henley, to be on display at the Richmond Mall. If you get time, check out the display.

As you know, our Education Review Office partner is Jacqueline Woods. She has visited our school twice this year to meet with the Board of Trustees and Leadership Team. She has also visited some classes briefly. The first report written in this evaluation process is called a Profile Report. It includes information about our school context, strengths and priorities as we move forward. Please click on the link to view this report [Henley School \(Nelson\) | Education Review Office \(ero.govt.nz\)](https://www.ero.govt.nz). The next stage of our partnership requires us to send data through to Jacqueline about our student achievement in Writing and she will visit again to see what teachers are doing that is making a difference.

Thank you to everyone who contributed to the Daffodil Day fundraiser. Our school raised **\$581.00** for the Cancer Society.

It has been a busy time in Year 5/6 classes over the last few weeks as students write and practice for the delivery of their speeches. I have enjoyed visiting classes, seeing the students engrossed in this preparation. This week, two representatives from each class shared their speeches to the Senior Syndicate and Miss Kyle, our judge. Congratulations to Tara Cook, Harrison Costley and Lachie Bolt (reserve) who will represent Henley School at the Regional Speech Competition on Wednesday 13th September.

Sadly, due to adverse weather condition causing the Rainbow Ski Field to close on our allocated days, our Year 5/6 classes have been unable to go to for their much-anticipated ski trips. This has been very disappointing for all our students and also the Senior Syndicate staff as a lot of work has gone into the organisation. Thank you to all parents who have supported with the sausage sizzles on Thursdays this term and selling raffle tickets with their children. This additional fundraising will be used for another event which will be organised by the staff for Term 4. I look forward to hearing what the Senior Staff come up with for this event.

Out of Zone enrolment applications for Henley School are now open for 2024. Families who live out of zone with a **new entrant** who wish to enrol to start at Henley during 2024, are asked to email office@henley.school.nz, addressed to the Principal, stating the child's full name, date of birth and current address. The deadline for the receipt of applications is Tuesday 10th October at 1.00pm. The Board of Trustees has determined it will have 35 places available for out of zone new entrants and their siblings, if any. If you require more information, please contact me at school on 03 544 8904.
