27 August – Planning for Alert Level 3

Dear parents and caregivers

Kia ora koutou e te whānau

This afternoon the Prime Minister announced that all New Zealand, south of the Auckland boundary, will move to **Alert Level 3 at 11:59 pm Tuesday 31 August 2021.**

The **school remains closed** except for students of parents who do not have any alternative but to register their child/ren to attend school. As per the guiding principles for Alert Level 3 it is **expected that students remain at home during this alert level where possible.** Staff will continue to deliver our Learning from Home programme.

For those children remaining at home during Alert Level 3:

- **Do not complete the online survey link in this update.**
- Continue with online learning or hard pack learning.
- Keep in touch with your child's teacher through the daily Zoom meeting

For those who need to register their child to attend school during Alert Level 3 because they have no other option:

- Register your child by completing this survey as soon as possible (closes Monday 30th August 9am)
<https://forms.gle/FD5Dvc1PTDpSgpDd9>
- Completing this form will allocate your child a school learning bubble where they will complete their regular classroom's distance learning programme. Please note that there is not a separate learning programme offered at school – it is the same as offered via Learning from Home.
- **Please do not send your child to school without registering via the survey.**

Next Steps:

- Once learning bubbles have been confirmed (Tuesday 31 August), we will send the relevant details and instructions for students returning to school directly to the parents of the children concerned.

Kind regards

Ngā mihi nui

John Armstrong
Principal
