

## Update to parents – 4 March 2022

### COVID-19 Red Level Setting

Kia ora koutou

Thank you to everyone who was able to make it to our Parent/Teacher Conferences yesterday, we appreciated being able to meet you all face-to-face.

At Henley School, we continue to only have a very small number of students across the school who have tested positive for Covid-19.

Many thanks to the families who have kept us informed of their need to test, isolate and of positive test results within their household.

If your child is in a class that have a growing number of cases in the future, please be assured you will be notified.

In the meantime please continue to be very vigilant about monitoring for symptoms and if any symptoms develop please get tested immediately.

The health and well-being of our children, staff and community is a top priority so we are closely following the Ministry of Health guidance for schools.

Ngā mihi
