

Update to parents-20 August 2021 COVID-19 Alert Level 4

Dear parents and caregivers
Kia ora koutou e te whanau

I hope that all is well in your bubble. We thank you very much for your support. Wellbeing remains the most important focus for our families and staff during this uncertain time.

As you will be aware we have now been instructed that we will remain at Alert Level 4 until **Tuesday 24 August at 11.59pm**. The school will be closed during this time for everyone.

Online learning will resume on Monday and links to Home Learning will be emailed out on Sunday afternoon (they will also be posted on our Facebook Page and Henley School Website). If you are looking for more learning, we can direct you back to the following websites:

Home learning TV - <https://www.tvnz.co.nz/shows/home-learning-tv>
Ministry of Education Home Learning page <https://learningfromhome.govt.nz/>

We are always conscious that every home circumstance is different during these times - and there is no pressure from the school for families to keep up with a set amount of work. Enjoy this time in your bubble, have some fun and cherish your time together.

If you have any queries, please email the office office@henley.school.nz

Thank you for your continuing support of your child/children and the staff as we work to continue learning at a distance. Please look after yourselves and I will be in touch again soon with more information as it comes to hand.

Kind regards
Ngā mihi nui
