

HENLEY SCHOOL UNIFORM

Henley School has a uniform which is compulsory for all students.

Some of the benefits of school uniform are:

- Cost effective – reduces the amount of clothes to be purchased each year, and the majority of items can be used by siblings.
- Excellent school representation at public outings, as well as safety because children can be easily identified.
- Provides equality, pride and greater sense of belonging amongst the children.
- Eliminates problems of clothing competitiveness.
- Ensures children have clothing that is appropriate for school activities.
- Provides better sun protection than some of the options previously chosen by children.

Please note that there will be occasions where uniform will not be mandatory, such as field trips where children are likely to encounter wet or muddy conditions. These occasions will be notified to you by teachers with relevant activity information.

Uniform guidelines:

- Wearing the school uniform is a condition of attendance at Henley School.
- The uniform will be made up of approved items as per the Uniform Schedule.
- In circumstances of extreme financial hardship, the Principal will endeavour to work with the concerned party to reach a mutually satisfactory outcome.
- The uniform is to be worn at all times when involved in any school activities and when representing the school.
- The uniform should be in good repair and a clean and tidy condition.
- Any non-uniform items should be removed and placed in school bag, unless an explanatory note is received from parents.
- All uniform items to be named.
- School uniform hats must be worn from the beginning of Term Four until the end of Term One.
- Footwear must be sensible such as Velcro or lace up runners or shoes or flat sandals that securely strap the foot. (High heeled shoes, jandals and heeled/wheeled shoes are unsuitable for school wear.)
- The Principal may, for reasons approved by the Board of Trustees, exempt a pupil from wearing the uniform.
- Teachers will be supported by the Board in enforcing the wearing of uniforms.
- Vests and polypro tops worn under uniform should ideally not be visible, but where visible must be navy, white or black.

Furthermore:

1. We realise that occasional one-off situations will occur when a child cannot wear the uniform. Parents are requested to provide the school with a note in these instances.
2. A child who is not wearing the approved uniform will not be permitted to participate in activities offered outside of the curriculum such as trips and some sporting activities.
3. If a child is not wearing the approved uniform on two consecutive days a note will be sent home. The same will occur if the uniform is not in good repair or clean.

HENLEY SCHOOL SPORTS TOPS

The Henley School Board of Trustees introduced a Henley School Sports Top (short sleeve, round neck, blue with grey side inserts, quick dry fabric, Henley logo) a number of years ago. This Sports Top is to be worn when representing Henley while playing sports away from the school and on our special sports days such as Athletics Day. Following feedback and requests, the Henley School Board of Trustees has now decided to phase in the blue sports top as the compulsory uniform top meaning all the grey top options will be gradually phased out. The schedule for this is as follows;

2019 – blue sports top optional for Junior Syndicate students. The grey top is compulsory for Middle and Senior Syndicate students

2020 – blue sports top optional for all students

2021 – blue sports top compulsory for Junior and Middle Syndicate students and optional for Senior Students

2022 – blue sports top compulsory for all students

It will continue to be compulsory for the blue Sports Top to be worn when representing Henley School during this phasing in period.

Purchasing Uniform:

Henley school uniform items are available through Dot Neiman Leisurewear Shop (address and directions at the end of the uniform schedule attached). Please note that our supplier offers a free service to alter uniforms to fit your child if required, and that lay-by options are also available. Dot Neiman also deals with WINZ subsidies.

If you would like to purchase any second hand uniform items, please email our friendly FOHS (Friends of Henley School) parent group at friendsofhenley@gmail.com. They will let you know if they have what you are looking for and arrange for you to complete your purchase at the school office. A sale will take place at the Henley School Open Morning which is held at school prior to school beginning at the start of the next school year. This date will be confirmed in our Term 4 Calendar of Events towards the end of this year.
