

Learning from Home

Here is a list of hands-on activities and online activities to support parents and whānau so that learning for children and young people can continue.

- Explore your backyard for insects and plants and draw them
- Bake or cook something new with a parent
- Learn a new card or dice game
- Design and make your own game. Create your own board game, rules, pieces and play it with your family
- Build a reading fort using sheets/blankets
- Read every day
- Call a grandparent or elderly relative
- Draw a map of your house and label it
- Make puppets or use toys and put on a play
- Turn on some music and create a dance, share with your family in a mini show
- Write a letter to a doctor or nurse showing appreciation of their work
- Write a list of 10 positive things about spending time at home
- Get creative! Use a range of material from home to make something
- Create your own story and publish it into a book
- Write a timetable of your day
