

## LEARNING FROM HOME 2022

Kia ora koutou e te whānau  
Dear parents and caregivers,

We have prepared two weeks' worth of work for your child/children here for the various levels of the school. This should cover the 10-day isolation period under the Covid Protection Plan.

Please do not feel compelled to complete all the activities as we are aware of the challenges that this type of learning presents, and we do not want to create additional stress.
