

SENIOR SYNDICATE STATIONERY REQUIREMENTS – TERM 1 2020

CHILD'S NAME _____ 2020 ROOM _____

Listed below are the stationery requirements for your child to begin the 2020 school year.

OfficeMax is the school's stationery supplier and provides good quality, reasonably priced stationery. Below is a list of the stationery your child will require for the start of the 2020 school year. Stationery can be obtained by one of three methods as described below;

1. Orders can be placed online by going to the OfficeMax myschool website at <https://www.myschool.co.nz/> Alternatively, there are links to this on the school's website at www.henley.school.nz both on the 'Quick Links' list on the home page and in the Stationery section under the School Information heading.

Once in the website choose the list that your child will require. The list contains the items listed below however you may remove items you already have or add additional items you may want to purchase. Once you have finalised your order and made payment the stationery will be couriered to you. To ensure that your stationery arrives before school starts you should place your order by approximately 17th January.

2. OfficeMax's retail store is at the corner of Rutherford Street and Selwyn Place, Nelson (opposite McDonalds) and they will have all the items available that are listed below. Packs are no longer available instore however all you need to do is take your stationery list with you to purchase the items your need. Lists will also be available in store if you don't have yours on you when you visit the store.
3. If you are not able to place your order online or go into the store in Nelson, you can phone OfficeMax at 0800 724 440 to order your stationery however you will require a credit card to be able to order this way.

OfficeMax supports the school with a small financial rebate based on the value of purchases made through them by Henley school families.

Alternatively, you may use the stationery list to purchase your child's stationery elsewhere, however, please be aware that the quality of items such as pencils may not be as good, so, over the year you may end up spending more.

Copies of the stationery lists will be posted at the end of the 2019 school year on the office doors and on the school's website on the Stationery page.

The school expects that students will all have their stationery with them on the first day of school (Tuesday 4th February 2020) ready to commence work.

The school office does not sell beginning of year stationery but will continue to sell 'top up' stationery throughout the rest of the year.

Thank you.

SENIOR SYNDICATE STATIONERY LIST

Henley School

December 2019

Dear Parents/Caregivers

With the year coming to an end we are looking towards next year and what books you will need to purchase for your child/ren's stationery ready for a new year.

Covered "Exercise" books are more durable. We would prefer it if the children do have these covered. Duraseal works well but anything that will protect the books would be great.

The "Homework Book" is provided free to pupils a few weeks after the start of the year and if covered a "clear covering" must be used as the advertising on the inside covers is what pays for the books.

The classroom teachers will label the exercise books with their classes.

It is advisable to name individual pens, pencils, colouring pencils etc, as named items have a habit of boomeranging back to their rightful owners. Vivid pen on some items, overlaid with sellotape, is useful when labeling rulers, glue sticks and pens as the vivid will not rub off.

In the Senior School, children need to have a large reading bag or a waterproof durable bag for their homework book and library books.

We would prefer that children do not have overly large pencil cases as they do not fit in the tote trays.

Thank you very much
Senior Syndicate Teachers
