

Kia ora te whānau/caregivers

It has been so positive to have your children back at school this week and I could sense a really positive energy as the children arrived back on Monday as I greeted them at the gate.

We are pleased, at present, to have fewer positive cases of Covid-19 at Henley School than at the end of Term 1. However, currently there are still high numbers of cases reported at our neighbouring schools. To keep everyone as safe as we can, we are going to continue operating as we currently are in separate syndicates, with break times in designated areas. You will need to continue to drop off and pick up your children in the usual areas, only entering classrooms and school buildings if absolutely necessary and if you do, please wear a mask.

If you would like to speak to or meet with your child's teacher that is still possible. Phone our school office or email office@henley.school.nz and they will send your message to the teacher. We appreciate your support at this time and know it is strange not having a chance to check in with teachers on a more regular basis.

Kind regards
Natalie Doty
Acting Principal
