

Term 3 2020

Kia Ora Ngā Whānau,

The Senior Syndicate teachers all hope you had a wonderful break with your families. This term is ten weeks, full of fun activities planned for your children in and out of the classroom. We have made some changes to our long term plan, due to the cancellation of the Olympics this year. Our major focus is Health with the topic of Keeping Ourselves Safe.

At the end of last term, each class was treated to student speeches which covered a wide range of topics. Some of these included, Pizzas, How music affects you, Animals, Siblings, Sport and Personal interests. This was a great way for students to research, write and present a speech in a safe and encouraging environment and it helped build confidence and self-esteem.

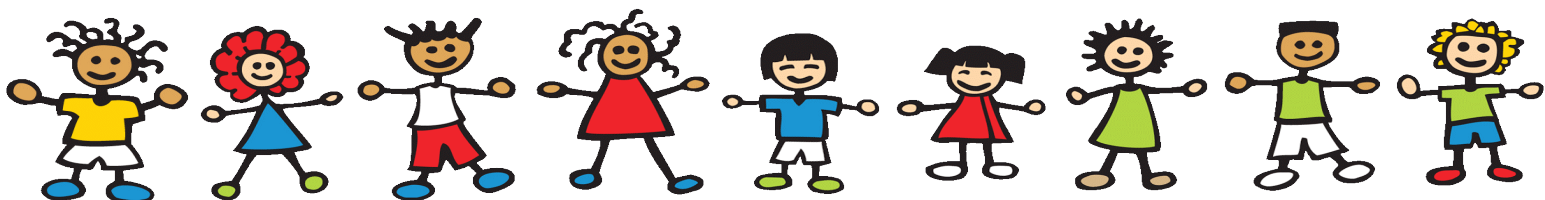

We hope you enjoyed receiving your child's report. It is lovely to celebrate student learning and have the opportunity to discuss ongoing support at parent teacher interviews. Working together in partnership enhances student progress and wellbeing.

The Principal of Waimea Intermediate, Justine McDonald and one of the Deputy Principals, will visit the Year 6s who intend on going to WIS on Tuesday, August 4th. The purpose of this meeting is to provide information about Intermediate life and the opportunities they offer at Waimea Intermediate. The parent information evening is on September 16th. In Term 4, some Henley Senior Syndicate teachers will take the Year 6s over for a guided tour of the school. Waimea Intermediate will require enrolment forms to be returned in September. Other Intermediates will notify families and schools as they arrange their dates for enrolments and visits.

The Year Six children are fortunate to have the opportunity to head up to Coronation Forest this term and restart a Henley tradition that had stopped for a few years which is now back up and running in 2020. More information about this will be out later in the term.

Thank you,

Rachael, Amy, Cade, Nick, Trish and Rachel

Farewell to Mengting He (Molly)

The Seniors at Henley School have been lucky to have Molly teaching at Henley for 2019/2020. We have thoroughly enjoyed learning phrases in Mandarin and some aspects of the Chinese culture. Unfortunately, due to Covid-19 restrictions, Molly's lessons in 2020 were cut short. We wish Molly all the best with her future studies. All the best from your Henley whanau.

Coronation Forest 2020

We are excited to offer our Year 6 children a trip to Coronation Forest in Term 3. This has been a tradition for many school children in the Nelson Region for years. You all probably know of someone who has planted a tree up at Coronation Forest. The children learn about the forestry industry, plant a tree and take part in a conservation walk. We will be taking the Year 6 children up over two days on September the 7th and 8th. More information will be sent home closer to the time.
