Dear Parents and Caregivers

Welcome to Hanna G and Anna T who have started recently at Henley School in our Tui Room.

Welcome also to Miss Nicole Andrews, teacher trainee from the University of Canterbury who is with us for the next few weeks in Room 7 with Miss Hickman.

The announcement by the Prime Minister last Monday regarding the continuation of Alert Level 2 until at least September 6th has resulted in the postponement and rescheduling of a number of events at all schools. Given the restrictions on gathering size it has meant the postponement of the Junior Syndicate Folk Dance Display, cancellation of the Winter Sports Tournament for the Senior Syndicate students and cancellation of the Disco. It also means a continuation of our current drop off and pick up arrangements. We appreciate your cooperation with operating at this level and, like you, we are looking forward to a return to Level 1 as soon as it is safe.

Last week we played a Staff and Students netball match that was keenly contested. Many thanks to the staff and students who took part in this match and also to the supporters on the sideline. It was a fast-paced game played in good spirits by a number of non-netballers. Thanks also to Constable Hamish who took part in the event. We have enjoyed the way Constable Hamish and Constable Marcus have fully involved themselves in our day to day activities while they are here in school delivering the Keeping Ourselves Safe programme.

This Friday 28 August, we are having our annual Daffodil mufti day to raise money for The Cancer Society of New Zealand. We look forward to seeing the children dressed in yellow and ask for each child to bring a gold coin donation for our coin trail. All proceeds raised will, of course, be sent through to the local branch of the Cancer Society.

On Tuesday we had a representative visit from Ideal Electrical to present us with a Rebel Sport voucher worth \$500. One of our parents, Mr Johan Verhage, nominated Henley School in a recent promotion and we ended up benefitting from it. This voucher will be used to replenish some of the well-used gear in our sports shed. Many thanks to our local Ideal Electrical outlet and Phillips New Zealand.

Finally, a big thanks also to Mike O'Connor from Appleby Fresh Farm for continuing to supply us with seedlings for our vegetable garden.

Kia pai tō rā
(Have a good day)
Ngā mihi nui
John

Peer Patrol (Mediators)

The first intake of 2020 Peer Patrollers have been out in full force over the last two terms. They were trained up in Term One and have been doing a tremendous job out in the playground since returning to school.

This particular group have been a dedicated and reliable bunch. Always turning up to meetings, clocking in on time to get out to duty and helping children come up with manageable ways to solve problems without enforcing the solutions on them. It is always up to the children asking for mediation to come up with ways to solve the conflict.

This current group retire from their jobs in Week 7 but they now have the skills to assist in the playground when they're not on duty or when they may have problems themselves. I look forward to training up the next group of Year 6 children soon. Some of the next group keep hounding me to put them out in the playground so they can have a go! This Year 6 cohort have been truly committed to their leadership role within the school.

Thank you very much to this group of children for the input they've had over the last 14 weeks into the positive playground climate at Henley School:

Charlotte A, Carly B, Raymond C, Devan G, Ella C, Alice B, Cassie R, Fergus K, Daniel R, Logan R, Kase H, Ella M, Harriet L, Jordy G, David P, Cooper H, Sami T, Hayley P, Brienna C, Aurora-jade R, Jordan B, Finn B, Will T-B, Ciara M, Leah B, Raiden L, Oliver C, Sammie W, Talei K, James O and Reuben S.
