Dear Parents and Caregivers

Welcome to Te Wiki o te reo Māori (Māori Language Week). This week is about encouraging our students to use te reo Māori. We are also enjoying some Myths and Legends about Aotearoa New Zealand.

Welcome to the following students who have started at Henley School in the last few weeks. Pia D (Fantail Rm) and Laila H (Rm 2).

Our first four senior classes are currently on camp at Marahau or have just returned home. I had the privilege of joining them for an hour or two on Monday (the first day) as one class enjoyed a waka experience at Kaiteriteri and the other set up onsite in Marahau. Despite the persistent drizzle, our students engaged in their learning activities, valuing the opportunity to experience education outside the classroom. Many thanks to all the staff, parents and organisations that have made this possible.

We are delighted to welcome Mrs Claire Clayton to our office administration team. Claire works in the front office Tuesday to Friday each week. We are enjoying getting to know her as she learns her new role.

Yesterday, our new Board of Trustees officially took office for the next three years. I wish to thank our outgoing Board for their commitment to Henley School over the last few years, taking an active governance role in our school. Best wishes and thank you to Andy Elliott, Anna Rutherford and Matt Clarke. We are pleased to have Kirstie Van Houtte and Adrian Laing continuing as trustees, along with our new parent trustees Andrew Dell, Erin Sheehan and Ashley Unuka. Joe Kirker is our new staff trustee. Please see over the page for more in-depth information about the election outcomes.

Last week we entered two teams of four students into a Book Quiz with nine of our local schools. We were fortunate to win two spot prizes. Special congratulations to one of our teams, aptly named 'The Winners', who went to a 'sudden death' with a Ranzau School team and won the quiz with 48/50 points. The team very proudly returned to school and were awarded a trophy. All students in the competition had read the same three books, thank you to Miss Hickman for preparing and supporting the Henley teams. The students all dressed up as a character from the book "Remarkable

Animal Stories". Many thanks to Jo Gardner and parents who supported the teams and provided transport on the day.

Congratulations to the Middle Syndicate students who were the first syndicate to achieve 500 tokens in our playground reward system for demonstrating the Henley High Five Values. They had a non-uniform day last Friday and were extremely proud to be the first syndicate to earn a reward.

Tiaki ōku Taonga-Protect that which we Treasure.

Ngā mihi nui

Natalie Doty

Acting Principal

ILLEGAL PARKING AND STOPPING

Parking (which includes stopping to let a child out of your car) on yellow lines is illegal. The yellow lines are in place near schools for a reason, they protect our children against possible injury. Drivers and children need good visibility around school and pedestrian crossings to be able to see each other. Please support us keeping our students safe, the Police have advised that they will be monitoring the school from time to time and will be issuing tickets.

If you witness any illegal activity in this regard the Police have asked that you report it directly to them rather than the school.
