No: 1 Term 3

Tēnā koutou katoa

Dear Parents and Caregivers

It is wonderful to have everyone back after the holiday break. The children have returned happy and are currently enjoying some outside time without rain! Looking ahead it will be another busy term with Senior Syndicate Camps scheduled for weeks 8 and 9.

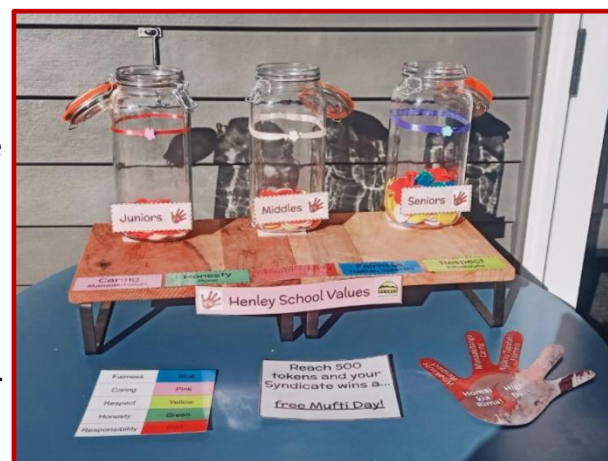

Towards the end of Term 2 our Lead Teachers for Kapa Haka, Mr Joe Kirker and Mr Sam Baxendine, began our Henley School Kapa Haka sessions on Friday mornings at 8.15am in the hall. We are excited to start this group again and look forward to them performing for us at some point later in the year.

At the end of Week 9, Term 2, Room 3 relocated to the school Library so an upgrade could be started in their classroom. This stage of the upgrade project has been completed, with additional changes to be made in the future, as the property funding is released. Thank you to the students and Miss Hickman for everything they have done to move furniture and resources in and out. Special thanks to all classes for giving up their Library sessions, these are now underway again so please remember to return library books each week.

Welcome to the following students who have started at Henley School in the last few weeks: Mattias d (Fantail Rm), Harper V (Fantail Rm) and Maple S (Fantail Rm).

We are so excited about the upcoming Henleywood Disco on Friday 12 August. Please purchase your tickets as soon as you can on your myKindo account so you don't miss out. The teachers are looking forward to having a 'boogie' with their students so get your dancing shoes and party clothes ready!

This term the lead teachers for PB4L-Mrs Myers, Mrs Beattie and Mr Baxendine have started a new initiative with the Henley School High Fives that are given out in the playground to students demonstrating one or more of the High Five Values. Each High Five card is now coloured according to the value and when the children receive a High Five, they also receive a token of the same colour. The coloured tokens are put into a glass jar near the staffroom-one jar for each syndicate. When the tokens reach the line on the jar (approximately 500 tokens), that particular syndicate gets to have a non-uniform day while the rest of the school wear their uniforms. Everyone is eagerly watching the tokens growing rapidly each day. Well done to all students who have earned a token, ka pai to mahi.

Finally, thank you to everyone who attended the Keeping Ourselves Safe parent evening on Wednesday 27 July in the hall. Classes have now begun lessons in their classrooms and some nights, will bring homework home to discuss and complete with you. If you wish to discuss any of the programme content further, please contact your child's teacher. We are excited to welcome Senior Constable Carol and Constable Hamish into the school for weeks 3 and 4 to support our teachers with these lessons.

Tiaki ōku Taonga-Protect that which we Treasure.

Ngā mihi nui

Acting Principal
