

CRICKET - TERM 4 2023 and TERM 1 2024

Waimea Toi Toi

Cricket is club based and run through Waimea Toi Toi United Cricket Club (www.wttu.org.nz).

Registrations for the 2023/24 season are now open.

WTTU will be responsible for putting the teams together.

Dates

The season dates are 4 November 2023 – 30 March 2024

Please be aware that when your child registers for Term 4, the same teams will roll into Term 1 2024.

Smash Play

This is great for the younger kids who are just starting to play. They use the plastic bats and wickets, learn a few skills and then have a fun game. It's all based around kids having fun and learning the basics of cricket. We are still finalising the details with Nelson Cricket, and at this stage it will be played on Saturday mornings either at Jubilee Park or Saxton Oval - cost for this grade (for both Term 4 2023 and Term 1 2024) is \$60.00 which includes a t-shirt to keep.

Primary Hardball (8th and 9th grades)

The next step up from Smash Play. The teams play 20 over games and start to travel around the region to play other teams. They wear all the gear (helmets, gloves, pads etc). The club has all the gear they need to play, however we would recommend purchasing their own box - cost for both Term 4 2023 and Term 1 2024 is \$100.00.

Registrations

Here is the link for registrations <https://www.playhq.com/new-zealand-cricket/register/1a0c0f>

The teams are always looking for parents/caregivers who are willing to help the teams with coaching, managing and scoring (using the CriqHQ app – training is available) and also with the general supervision of the teams on game day.

ANZ Grants

ANZ are proud to continue their support of community cricket this season. Families of players aged 5-18 years can apply for a grant of \$80.00 to go towards their cricket fees. Here is the link to apply for the grant <https://www.anzcricketworld.co.nz>.
