Teams must have a Parent supervisor at every game. **If there is no parent to supervise the team, the team will not be able to be entered.**

A team list will come home with your child once the teams have been sorted. **Please remember, Henley School has the overall responsibility for putting teams together. Requests for friends to be together cannot always be accommodated.**

If you are wanting to register your own team, individual players still need to be registered through their Kindo account. You must have 7 in the team. The parent supervisor can email me with the team's name and the children in their team at garyw@henley.school.nz
