

3 x 3 BASKETBALL – TERM 2&3 2024

The aim of this competition is to introduce our younger players to basketball in a fun, non-threatening environment away from the pressures of competition standings and finals. The 3x3 format means that players have more space to play in and will have more touches of the ball. Scores are recorded to schedule teams of similar experience against each other, though there will be no finals or competition winners.

2024 PRIMARY Year 3-4 3X3

3x3 Competition Rules:

- Games 10-minute halves, 1 minute at half time. Running clock.
- All games are run off the centre clock and will start at the same time (be ready!)
- Substitutions can be made on any whistle at halfway.
- Players must only mark opposition players with the same-coloured band. In the first instance, players will be warned by the referee. Following this the ball will be taken out of bounds. Defence of the wrong colour on a shot will result in an automatic score.
- Fouls in the act of shooting will be an automatic 1 point – no free throws.
- 5 team fouls per half – 6th and subsequent team foul will be an automatic 1 point and possession will continue where the offence occurred.
- Technical or unsportsmanlike fouls on a player or coach will be an automatic 2 points and possession from halfway.
- After a basket is scored the scoring team must go back to halfway and wait for their opposition to come to them.
- After a basket is scored, the ball does not have to be taken out and passed in-bounds; the ball may be played from wherever it lands e.g. Team A scores a basket and retreats back to half way, meanwhile a player from Team B collects the ball and starts dribbling toward halfway without taking the ball out-of bounds first.
 - o The purpose of this rule is to increase the amount of play that takes place, rather than players deciding who they want to pass to.
- In an extension of the above rule, any change of possession that occurs where the offensive team must bring the ball up from the back court, requires the defensive team to “retreat to halfway”. For example, team A throws the ball out of bounds near their scoring basket, it becomes team B ball. Team A is required to retreat to halfway and let team B come to them.
- Only the coach will be allowed courtside. Other family members and spectators must watch games from the stands.
- No food, soft drinks or gum are allowed in the stadium
