

BNZ KiwiHoops Term 1 2024

Kiwi Hoops is an after school, skill-based basketball program developed by Basketball New Zealand.

The program is designed for years 1–4 as an introduction to basketball and a pathway to miniball.

The Year 1 & 2 sessions are based on FUN but incorporate basic ball and co-ordination skills. Years 3 & 4 sessions are mostly skill development with the opportunity to play games.

As an extension of the Kiwi Hoops program we have developed an intro to basketball designed for kids in year 5 and up. This program is aimed at introducing and developing fundamental basketball skills in a fun, safe space. Greater emphasis will be placed on learning the rules of the game from year 5 onward.

Players need no prior basketball experience. The lessons are taken by experienced coaches on Mondays and will run for 8 weeks during term 1, at Jack Robins Stadium, 104 Neale Ave, Stoke.

Parents and guardians will be welcome to come watch from the seating upstairs.
